Here is an item in support of the truth of the statement elsewhere published, regarding the Ohio campaign, and Sam Cary in particular, as uttered by Senator Thurman. We copy from the Washington correspondence

Sonator Thurman has been talking very freely about the prospects of Democratic defeat in Olfo. A gentle Democratic defeat in Onto. A gentle-man was here to-day who frequently conversed with Thurman during the time he stopped at Deer Park, in Mary-land, and he says that Thurman, in private conversation there, used the very same ideas which are stated in the dispatch he now disclaims. He admitted that the defeat of the Democrats seemed very probable.

THE Toledo Blade gave currency to a rumor that Bill Allen was about to withdraw from the Gubernatorial race because of the condition of his health, and because of his sure defeat.
